Business Items

A. Approve Minutes from November 5, 2019 Committee Meeting

Approve Minutes from November 5, 2019 Committee Meeting: Bob Lentz made a motion to approve the minutes; Roger seconded the motion. Motion carried.

B. Introductions

C. Old Business

- **Bicycle Briefs and Pedestrian Points**
The committee discussed the bike and pedestrian briefs. There are slides on Channel 15 and the committee is encouraged to submit more topics.
- **Other**
Discussion on the Viking Road crossing west of Wal Mart Drive.

D. New Business

- **Center Street Trail Dedication**
Lisa read the email from the North Cedar Neighborhood Association on the Center Street Trail dedication in May. The committee discussed ways to help the neighborhood during this celebration. May 6th and May 9th are tentative dates for a ribbon cutting and bike rodeo. Mike said that there used to be a bike rodeo at Black Hawk Park with a high participation rate and this rodeo can include the North Cedar School. A one hour rodeo with the help of Jackie Schares or the use of her rodeo "fixtures" will benefit the participants. Kim will contact the North Cedar school principle to help promote the rodeo. Luann suggested contacting the Lions Club for volunteer help. The committee will get back to Bonnie Pruckler of the Neighborhood Association for our support and help with the bike rodeo.
- **2019 Annual Report**
Roger reviewed the minutes from the previous year's activities and assembled the 2019 Annual Report. The committee discussed combining the budget recommendations with the priority recommendations. The committee reviewed the list of priority recommendations. The report will be finalized at the January meeting and included in the annual report to the City Council.
- **Other**
The committee made a recommendation to add Joe Hackenmiller to the committee.
